## SPANISH

*2015-2016 Academic Year*

<b>The exact level</b>	Free placement test which allows us to place each student in the level that best suits him/her, whether it be beginner, intermediate or advanced.
<b>Developing communication</b>	We offer entertaining and dynamic classes focused on developing the student's ability to communicate effectively, with special emphasis on his/her speaking and listening skills.
<b>Writing Class</b>	We provide a wide range of essays, so each student can write them at home and send them via e-mail for correction.
<b>Reading Club</b>	Thanks to our digital library, students can enjoy reading according to their level and interests. We also provide activity sheets.
<b>Spanish Online</b>	Each student can improve his Spanish from home with additional materials provided by Dropbox.
<b>Native teachers</b>	Native and qualified teachers specialized in teaching adults and providing personalized attention.

## CONDITIONS

### **Recovering Lessons**

- Students have the right to recover any lessons missed due to illness or other justifiable reasons. The absence must be notified with at least 24 hours notice and the recovery lesson will be scheduled at a new time which suits both the student/s and the teacher. Any cancellations notified with less than 24 hours notice will be charged.

### **No additional expenses**

- According to current Spanish legislation, training services are VAT free.
- All the materials for the lessons are provided to the student at no additional cost.
- Registration is also free of charge.

### **Payment**

- Payments are made in advance, within the first 5 days of each training period. Available methods of payment are: cash, via cheque, via bank transfer or via automatic bank payment (written authorization must be provided). Students can choose the most convenient option for them.
